We think you should complete your registering process..

Go register ?

Damn its hard to edit in this collabora office thingy (linux user rants)

Ok, so you did not register here is why you should.

I have been given the job to convince you, and you better believe i do my job damn well

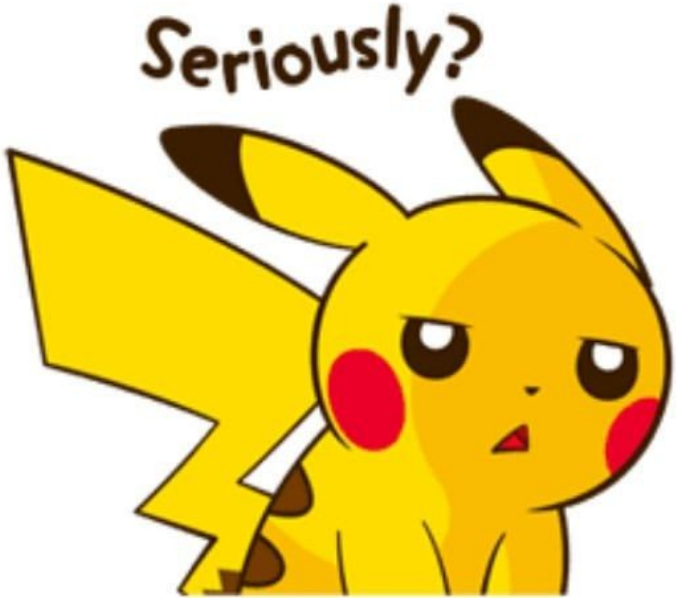
Free food.

We have good food

we will take good care of your stomach.

Now go register, hehee.

NOO ???????



K, LETS START AGAIN

LETS TALK MONEY

MATERIAL GURLL (SLAY EMOJI)
(i am a guy..)

SOOOO, when you win.

Yup read it right, for when you win
I think you'd win.

Huh, so you’d register
now right, hehe

NOOOO ?????

You dont think you’d win or what ?

HOW TO WIN (a guide)

Yes for you, I'd drop secrets

Step 1. find someone who knows how to code, just one pokemon would be enough (yes catch your coder pokemon)

Step 2. ~~bride~~ bribe the pokemon (no furrys allowed)

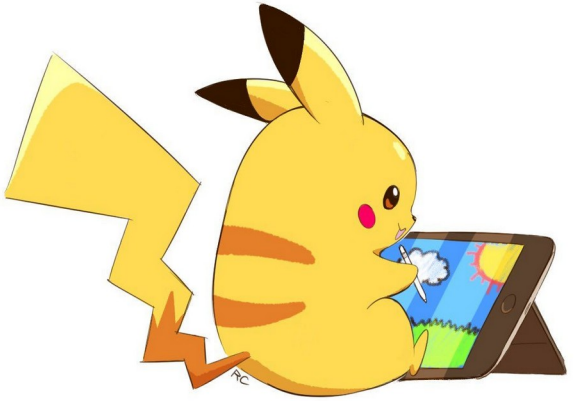
Step 3. make the pokemon motivated to win
With bootdev and codecrafter subscription

Step 4. be a finalist, then code some sh3t up.
Then brag about it to the judges
Answer questions. WIN.

FINAL STEP : TAKE THE MONEY

REGISTER NOW.
My dear trainer

Still dont wanna register ?



If you become a finalist i will trade my spotify playlist with you, now please go register (being in the finals is easy okkkk).

Deal doneee yayy
Thanks. See ya at the campus. Win win fast fast

They registered ?

YES ??? yayyyyy
